CERTIFICATE OF COMPLETION

This is to certify that

Mohamed Ali Jomaa Ghouil

has completed a 40-hour Fundamental Competencies Program delivered by the American Corner Sousse and supported by the U.S. Embassy Tunis.
This program equipped students with essential 21st-century skills tailored to their professional needs and future goals. Through a project-based learning approach, participants developed four key STEM competencies: Communication, Creative Thinking, Critical Thinking, and Problem Solving.
